

beverage list

Within these pages, you will find a concise range of specialty beverages picked with care to enhance your dining experience. We encourage you to explore our selection of premium Japanese beverages, being sake, wine, craft beers, whisky, shochu or umeshu.

All of our sake's are classed in the superior 'Special Designation' category of quality, ensuring the fine, artisanal nature of the sake is preserved by adhering to strict production methods.

Our wines are focused in Australian produce but we also have a wide range from producers we love from all over the world.

In our cocktails we strive to source fresh local produce to mix with an array of Japanese ingredients.

skin contact white wines

Skin Contact White Wines

These wines were allowed some maceration time, made a little bit like a red wine.

The contact of the grape juice with the skins before or during fermentation promotes extraction of flavours & phenolic compounds that give these wines an extra dimension of colour, body, flavour and texture.

They are great food wines, slightly grippy, aromatic & very flavoursome!
