

beverage list

Within these pages, you will find a concise range of specialty beverages picked with care to enhance your dining experience. We encourage you to explore our selection of premium Japanese beverages, being sake, wine, craft beers, whisky, shochu or umeshu.

Our wines are focused on Australian produce, but we also have a wide range from producers we love from all over the world.

The wines might present the following marks:

(b) = biodynamic / (o) = organic / (v) = vegan / (pf) = no added preservatives

In our cocktails we strive to source fresh local produce to mix with an array of Japanese ingredients.

Koshu

Koshu is a white wine grape variety, first cultivated in the Caucasus Region in Asia Minor and came to Japan more than 1,200 years ago, via the Silk Road through China. When winemaking started in Japan in 1874, it quickly became not only the main, but also the most important variety.

Skin Contact White Wines

These wines were allowed some maceration time, made a little bit like a red wine.

The contact of the grape juice with the skins before or during fermentation promotes extraction of flavours & phenolic compounds that give these wines an extra dimension of colour, body, flavour and texture.

They are great food wines, slightly grippy, aromatic & very flavoursome!
