## Weingut Joh. Jos. Prüm

One of the finest estates in the Mosel, Germany.

Founded by Johann Josef Prüm in 1911, the winery rapidly built a reputation for its racy, pure expressions of Riesling, known for their balance, intensity, purity of fruit as well as their distinctive mineral character.

The quality of their wines lies mostly in the majesty of the vineyards that have been in continuous production for some 2000 years!

These vineyards sit alongside each other, on one continuous slope in the middle Mosel. Bernkasteler Badstube, Graacher Himmelreich, Wehlener Sonnenuhr and Zeltinger Sonnenuhr.

## Skin Contact White Wines

*These wines were allowed some maceration time, made a little bit like a red wine.*

*The contact of the grape juice with the skins before or during fermentation promotes extraction of flavours & phenolic compounds that give these wines an extra dimension of colour, body, flavour and texture.*

*They are great food wines, slightly grippy, aromatic & very flavoursome!*

NV <b>Toro Albalá</b> 'Eléctrico' Fino (60ml / 375ml) * Montilla-Moriles, Spain <i>Served cold, fresh, bone dry and deliciously salty</i>	14	61
NV <b>Toro Albalá</b> 'Marqués de Poley' Amontillado Viejísimo Solera 1922 (500ml) * Montilla-Moriles, Spain <i>Served cold, dry, almond and caramel notes with savoury complexity</i>		170

*\* These Toro Albalá wines are not fortified but were put in this category due to style. The ripeness of the fruit sugars at picking, then the natural evaporation that occurs with long aging, account for the natural alcohol level in the wine.*

*The wines from Montilla-Moriles cannot be called sherry, even though they can be virtually identical.*
